Natural Gas/LP HGM Series — Diesel/Oil-Heated HOM Series

HOM-3506-0E10

This heater module easily converts your cold water pressure washer into a hot water unit. Featuring a durable powder coated steel frame assembly, there are several fuel burner types available to fit your needs.

HGM & HOM Series Feature

Frame:

Powder coated steel frame assembly with fork truck accessible base

Components:

1/2-inch schedule 80 vertical coil assembly | 12-foot x 3/8-inch jumper hose with quick connects to hook up to existing pressure washer (1/2-inch jumper hose on HGM-3508-1E10)

HGM Series Additional Features:

Natural gas or LP gas (vapor only) natural draft aspirating-type burner; 10-inch stack (12-inch on HGM-3508-1E10) | Draft diverter

HOM Series Additional Feature:

No. 1 or No. 2 fuel oil, diesel or kerosene fired burner (Not approved for bio-fuel)
